

Wascomat Big Load EXSM Coin/Card Washers

220-300 G-force extraction for speed, performance, and BIG profits.

Wascomat's 65 lb. and 80 lb. capacity EXSM washers are designed for large, family-sized loads! Higher G-force means less drying time, so you'll save big on energy costs. Self-service laundries benefit from a faster throughput — freeing up dryers, folding tables and parking spots — which increases store profits. Your customers will appreciate the fast and superior results!

Wascomat's EXSM coin-op washers with Compass Control continue our tradition of excellence in technology, design and quality:

- Heavy-duty construction for demanding environments and large loads.
- Low water consumption.
- Efficient frequency-controlled motor reduces peak power demand by 50% for energy savings.
- Perfect match with 60 lb. and 77 lb. Wascomat dryers.
- Soft-grip, slip-lock door handle for safe and trouble-free operation.
- Large door opening for easy loading and unloading.
- Unique 4-compartment supply dispenser lets the customer conveniently load all laundry supplies before starting the wash.
- Easily create custom wash programs.

Features and benefits:

Wascomat's revolutionary Compass Control puts you in total control of your business:
